**How it Works:** Eligible auto and motorcycle insurance policyholders may be reimbursed up to \$50 for cab service fees if they find themselves in a situation where it would be unsafe to operate their vehicle. May be used once per policy year for a one way cab service valued up to \$50. Reimbursement will be made for documented expenses only. Mechanical breakdown of your vehicle does not make you eligible for the Get Home Safe benefit. Allow 6-8 weeks for reimbursement.

**Disclaimer:** Some discounts, coverages, payment plans, features and benefits are not available in all states and companies. You must have the Plymouth Rock Assurance "Get Home Safe" coverage on your auto or motorcycle insurance policy to be eligible. We are not responsible for any losses or damages as a result of the cab service's acts or omissions.
