

Home Cyber Coverage

Plymouth Rock's Home Cyber Coverage* is a suite of services and coverages designed to protect homeowners from cyber-attacks, cyber extortion, online fraud, data breaches and cyber bullying.

Computers, mobile devices, smart TVs, social media and other connected technologies may enhance our lives, but they also create new ways for criminals to steal our personal information. Home Cyber Coverage helps mitigate that risk.

Peril	Home Cyber Coverage will:
Cyber Attack	<ul style="list-style-type: none"> Pay to replace the lost or corrupted electronic data Pay to restore the computing or connected home device to its previous level of functionality
Cyber Extortion	<ul style="list-style-type: none"> Pay for a professional to advise the homeowner on how to respond to a threat Pay the extortion threat (when payment is approved in advance and incurred as the direct result of a cyber-extortion event)
Online Fraud	<ul style="list-style-type: none"> Cover the direct financial loss to the homeowner incurred by the online fraud
Data Breach	<ul style="list-style-type: none"> Pay for a professional to review the data breach and identify the affected individuals Pay for legal counsel to develop a response to the data breach Cover the notification of the data breach to affected individuals Pay for credit report monitoring, identity restoration case management services, informational materials and a telephone hotline
Cyber Bullying	<ul style="list-style-type: none"> Pay for mental health counseling services, temporary relocation expenses, temporary private tutoring and enrollment expenses Pay for cybersecurity consultation services, social monitoring software, legal expenses, lost wages, childcare and elder care expenses

*Home Cyber Coverage is underwritten by Hartford Steam Boiler Inspection and Insurance Company. For illustrative purposes only. Actual coverage is subject to the language in the Hartford Steam Boiler contract. Plymouth Rock Assurance® and Plymouth Rock® are brand names and service marks used by separate companies that write and manage property and casualty insurance in multiple states.
