

Identity Protection Program

Plymouth Rock's Identity Protection Program* keeps you one step ahead of identity thieves. This is especially important in today's world, where online threats are more pervasive than ever.

Getting your identity stolen is a traumatic experience. Purchasing our Identity Protection Program can prevent an attack from happening in the first place — or help you recover quickly after an attack.

Our identity protection services are offered through **CyberScout**, a leader in identity theft and online fraud protection.

Basic Protection Included With Your Homeowners Policy

ID Theft Resolution and Recovery Services

If you're the victim of an ID theft incident, we'll put you in touch with a **personal advisor** to guide you through the recovery process. This **free service** also includes:

- Reimbursement of standard expenses you incur while resolving an ID threat incident
- Educational resources for learning how to minimize risks
- Proactive guidance to help protect against identity theft

Even Better Protection — Optional Coverages

ID Theft Monitoring (BH 0101)

- Tracking of your online presence to identify online threats, with alerts to potential issues
- Easy access to a web portal to view reports and spot fraud that can impact your credit
- Around-the-clock protection via a continual scanning for compromised data
- Costs less than \$2 per month for each household member

ID Theft Expense Reimbursement (HO 0455)

- Reimbursement of expenses that aren't covered by your standard ID Theft Resolution and Recovery Services
- These extraordinary expenses (such as hiring lawyers) are covered up to \$15,000 through this optional coverage
- Costs less than \$3 per month for each household member

*Identity Protection Program is provided by CyberScout. For illustrative purposes only. Identity Protection Program benefits are subject to CyberScout terms and conditions. Plymouth Rock Assurance® and Plymouth Rock® are brand names and service marks used by separate companies that write and manage property and casualty insurance in multiple states.
